

Tom Lynch Watercolors

Tom's distinguished credentials include exhibitions and awards in Paris and across the U.S., featured artist at four U.S. Opens and numerous PGA tournaments, author of five books and host of five successful PBS TV series on watercolor, and popular international workshop teacher for over 25 years.

Tom Lynch brings to his class the same enthusiasm and energy as seen on his national TV series. Past students have said of his workshops, "The best I ever attended ... never a dull moment ... learned more in one day than I have in years of classes ... patient, positive & fun!" You will come away from this workshop with enthusiasm for watercolor painting, some new techniques, a new friend and knowledge you can use for a lifetime.
